

Plus/Delta Protocol

Please write at least 1 plus and at least 1 delta for this section of our meeting today.

Plus (+)	Delta
Example: Everyone followed the norms	Example: We did not have enough data for our discussion
<p>General Comments -</p> <ul style="list-style-type: none"> ● The keynote presentation by Kathy Boudett was useful and helped principals “think outside the box”. The presentation was practical and applicable. ● The prayer by Ann Garrido was wonderful. ● Natalie Formica did a good job of explaining how she implemented Data Wise in her school. ● It was helpful to be able to talk to colleagues during the keynote session. ● The general updates from OCS were appreciated. ● Midday mass was nice. ● Information provided in the breakout sessions was helpful. Kurt Lewis had great resources, and Dr. Pena provided excellent information. We enjoyed having time to work on the principal evaluation ● Tax credit sessions were informative. ● Great teacher hiring tips were shared. 	<p>General Comments -</p> <ul style="list-style-type: none"> ● Principals would like more instruction on how to apply Data Wise to a specific school situation. ● Data Wise material has already been shared. ● Repeat information in the breakout sessions has already been addressed in other ways. ● More variety in the breakout sessions. ● Principals need more notice if there is a work session in the breakouts.
