Faith, Family, and Excellence!

Faith: Our commitment to spiritual growth is based on Gospel values that touch each dimension of school life. Through religious curriculum in all grades, sacrament preparation, daily prayer, regular celebration of school mass, and prayer services presented by students, each day provides, by living example, the message of Christ.

Family: One of the hallmarks of our school is the close working relationship enjoyed by teachers, students and parents. Parental volunteerism and participation in student activities, our dedicated faculty with a low student/teacher ratio, the School Board and the Athletic Department all help in creating a strong family atmosphere.

Excellence: We offer education programs that instill the essential skills to prepare students for an ever-changing world, while stimulating them to be life-long learners.
