Dear Claudia,

I am so glad you decided to learn more about St. Pius V School! We hope that you and Eduardo enjoyed your visit and got all the information you needed. Once we have opened registration for next year, we will be sure to get you an enrollment packet. We have so much to offer and we are always glad to have the opportunity to share our school with new families.

St. Pius V School has a long, rich history of education and service to our community. Many of our parents are alumni themselves. Our families are committed to providing a safe, faith-based education for their children.

Our dedicated staff are truly second-to-none. In a recent survey of school parents, 99% gave their child's teacher a 5-star rating, and every single parent surveyed said that they would recommend us to their friends and family. As you know our 8th grade teacher, Mr. Zacek, was recently selected to receive the Distinguished Service Award, which he has certainly earned. All that combined with our excellent before- and after-school programs make SPV a great choice for any family.

Please let me know if I can provide more information to help you make your decision. I would be happy to answer any questions you may have, so please feel free to call any time.

We would be honored to have Eduardo attend St. Pius V. Every new student adds so much to our school. As we tell our students, "Individually, we are each lions, and we are capable of much. Together, we are The Pride, and we can do anything."

We Hope You Will Join The Pride!

Sincerely,

Nancy Cullinan Nasko

Principal
